Friday 30th April 2021

Dear Cuddington families,

How did we arrive so quickly at the May bank holiday weekend?! I am hoping that the sun will shine for us all as many of us will enjoy the extra day together in our families.

It is incredibly heartening to see that Covid cases remain low and hospital admissions significantly reducing. More Cuddington staff continue to be vaccinated – with just the young ones waiting now! We continue to take our lateral flow tests twice a week where we have only had negative results to date.

All this said, the DfE guidelines remain the same as we are not out of the woods quite yet. Some of the guidance will be updated week beginning 3rd May to give schools the go ahead for residential visits (fingers crossed). We are so close to Min Y Don and Tattenhall residentials being given the big thumbs up! We have even started the ball rolling to take our Year 5 children to Min Y Don in October 😊

Today, our children have been able to have class photographs taken. Their behaviour has been exemplary and I can't wait to see the outcomes of all of them. Our Year 6 children have had one altogether in addition to being in their separate classes 😊

This afternoon, Mrs Clarke and I have attended a webinar, training us how to set up our 'virtual' parents' evening. Details of this will be coming to you on Tuesday – so please look out for the email to enable you to book an appointment with your child's teacher. I have used this system as a parent and it really is so easy to click on a convenient date and time. The evenings will be via video calls and will take place on Tuesday 25th May and Thursday 27th May.

Each Friday we have a Celebration assembly via Teams where each class shares their 'best bit of the week' and each teacher identifies a child who has shown kindness across the week. This is such a lovely way of being together when we can't all be together. Keep looking on twitter (@cuddingtonpri) to share all the other wonderful things happening around school – you don't necessarily need a twitter account to see this.

Parking

I have had an increase in parents contacting me in frustration due to poor parking outside school. Residents have also contacted me with the same frustrations. My main concern that due to unlawful parking, one of our children may get badly hurt. Please could I urge ALL parents to park safely at the front of school and at the back of school. When I have witnessed unlawful parking it leaves me wondering if that person actually cares about the safety of children

Please have a fun filled bank holiday weekend and I look forward to seeing you all on Tuesday 4th May.
Kind regards,

Mrs Sue Mills
Head Teacher
