Friday 8th October 2021

Dear Cuddington Families,

Booking Your Parents' Evening Appointments

Over the next week, you will have the opportunity to book an appointment to speak with your child's class teacher via our virtual meetings on 'School Cloud.' Please look out for an email/text from Mrs Clarke and from School Cloud reminding you to do so.

Book Fair

Thank you for understanding how we have organised our Book Fair this year to minimise large numbers of adults coming into school..... and a polite reminder to please wear a mask when you are helping your child to choose a book. It was Reception's turn today and it will be Year 1 and Year 2s turn on Monday. A little bit of normal creeping back 😊

COVID cases

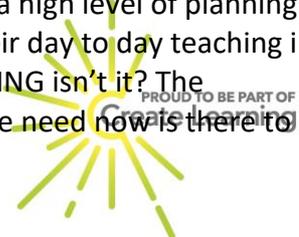

We have seen an increase in COVID cases this week – 5 in total. This is a reminder that it is very much still around. Please could I ask that all parents continue to be vigilant in responding quickly to any of the 3 'main symptoms.' If a child in school display any of the symptoms, then we will contact parents immediately to collect their child and have them tested. Thank you in anticipation for your continued support. For children at home having to isolate with COVID, their class teacher will continue to provide work should they be well enough to complete it.

PTA Fireworks

Another reminder; Friday 5th November 2021. Gates open at 5.45pm and the display will start at 6.30pm. The PTA are meeting on Monday lunchtime to plan the event. If you would like to volunteer to help, then please email our PTA and offer your services. We are keen to get as many volunteers as we can as we think there will be a lot of people attending!

Residentials

We have 2 upcoming residentials planned. Our week long one to Min Y Don with Year 6 and our 2 day one to Tattenhall with Year 3. There is so much excitement around. I wanted to take this opportunity to thank ALL parents who are making prompt payments for this as we have to fully pay them the centres by this Monday – there may be some reminders coming some parents' ways! There is a high level of planning for these 2 trips taking place and teachers are doing this as well as planning for their day to day teaching in addition to providing remote work for children who are isolating. That is AMAZING isn't it? The commitment our staff have to the children in our care is to be applauded. All we need now is there to be dry weather!

Build a Burger Day

We had a whopping 171 children requesting a hot lunch today. That is such a high number and there was a positive 'buzz' around the dinner hall today. Huge thanks must go to Mrs Eaton, Mrs Bird and Mr Thennakoon for making it a HUGE success along with our dedicated mid day team 😊 Another fine example of Team Cuddington working at its best.

World Mental Health Day

Sunday 10th October is World Mental Health Day and we will be celebrating this in school on Monday 11th October. Mrs Williams has provided a wealth of activities for your child's teacher to choose from as they explicitly teach your child that what they are engaged in is supporting Mental Health. Look out for the tweets!

Harvest Celebration

On Thursday 14th October, we will be celebrating Harvest in 2 separate assemblies (Reception/Key Stage 1 and then with KS2). Mrs Cobb has planned the celebration about success and growth coming from effective team work.

We are asking for donations to our 'toilet twinning' charity as we have done in the past as this will support our Global Citizenship and ECO work. If you would like to make a donation, then please could you do so via parent pay from Monday 11th October. Many thanks in anticipation.

Well, I think that may be enough information for one letter. I hope you all have a happy weekend whenever it arrives for you all.

Kind regards,

Mrs S Mills

Head Teacher
