**Re. Quick Bulletin (including dates for the diary)**

Dear families,

This is a quick bulletin to keep you updated on some key information areas and dates for the diary. Firstly, welcome back to the start of our new half term! It's been refreshing to see everyone return with such energy and positivity, ready for the exciting weeks ahead. We've hit the ground running, and it's been wonderful to see the children so engaged and enthusiastic.

**A busy week in the sunshine!**

What a fun, busy and action-packed week it has been! Year 4 had an amazing time on their residential to Conwy — full of adventure, teamwork, and making lasting memories together. We would like to extend our thanks to Miss Michiels, Mr Hutchinson and Mrs Henderson in making the trip such a success for the children. We've been fortunate to welcome some special visitors into school this week. The NSPCC joined us to lead important sessions on helping pupils understand how to speak out and stay safe. We also had a visit from the UK Parliament Outreach team, who delivered engaging workshops about how Parliament works, the role of MPs and the House of Lords, and even held some lively debates with our pupils. Meanwhile, our talented singers represented us beautifully at *Northwich Sings*, showing off their enthusiasm and musical flair.

**Our new school social media and Instagram**

A big thank you to everyone who has followed and supported our new Instagram page— we're so pleased to see our school community engaging with it! Please continue to like, share, and spread the word so more families can keep up with the wonderful things happening here at Cuddington!

As the warmer weather arrives, please help us keep your children safe in the sun. Make sure your child comes to school with a named water bottle, a sun hat and has suncream applied before school.
