Friday 20th November 2020

Dear Cuddington Parents and Families,

Firstly, I would like to welcome back Tawny Owls' children and some of Barn Owls' children following their period of isolation – we missed having them in school and were so pleased to see everyone back on Wednesday! I have subsequently sent out a questionnaire about feedback from our remote learning plan and will reshape the current one in response to our parent voice.

Waiting for siblings at the end of the school day

For the safety of your children, please could you ensure that your children are 'by you' when you are waiting for another sibling to come out of school. I am becoming increasingly worried that I have young children unsupervised whilst running around – I would hate for any of them to get hurt. Many thanks in anticipation.

Important date for your Diary: Year 3,4,5 and 6 Parents

We are very keen to have as many of you as possible to attend an **esafety presentation on Thursday 3rd December at 5pm.** If your child has a mobile phone, watches you tube, plays on a games console or uses any device with internet access, then this is definitely the meeting for you – it will ensure the safety of your child. It is aimed at KS2 parents, but if any of our KS1 parents would like to join us, then they are more than welcome. We envisage the presentation lasting for 30 minutes. This will be a remote meeting – details to follow

Photographs

We have had a lot of enquiries about 'when' the children will have the opportunity to have their photographs taken. **Friday 27th November** is the planned date. I have spoken with the photographer and we have talked through a Risk Assessment for this event. The photographs will take place in our small hall, with the photographer staying at least 2 metres away from the children. Each photograph will be of individual children in school – we are NOT having siblings together and we are unable to have pre school aged children in either. You will access your child's photo online, so there is no transferring of envelopes/paper. Cleaning between bubbles will be carried out.

A happy weekend to you all as we move into the last week of November!

Kind regards,

Sue Mills
Head Teacher
