Friday 12<sup>th</sup> February 2021

Dear Cuddington Families,

As we complete the first half term of the calendar year, there is so much to reflect upon, to be grateful for and to hope for.

When I wrote to you on 20<sup>th</sup> December, I couldn't imagine that this is how our children would be learning through our Remote Learning Plan. It has been a very long 6 weeks with parents working incredibly hard to balance their own jobs with supporting their own children through learning; the weather has not been kind to us, so 'playing' outside hasn't always been an option; it has been dark in the mornings and has been dark during the late afternoon, BUT you all kept going.

I told the children in this morning's 'Hope' assembly that they were my heroes. Your children have completed most of what has been asked of them. It has been so hard for them to turn their homes into schools and draw the line between 'time to do school work' and 'down time.' I have been in awe of my parents and of my children; grateful for the overwhelming support my staff have received and proud of everyone who makes 'Team Cuddington' such a special place 😊

Thank you to so many of you who have sent in positive emails and messages to my staff and for all the 'gratefulness' you have shown through my calls to many of you. None of those messages have gone unnoticed, instead, they have spurred my staff on to continue to try their very best in such a difficult time.

There is hope on the horizon. We are getting closer to knowing the contents of our Government's Road Map out of lockdown and the details of our children's return to school. We will wait in positive and hopeful anticipation. I ask that you ALL continue to adhere to the lockdown rules and all do our 'bit' to reduce transmission and move us closer to a time where our children can be together once again.

To quote Sir Captain Tom; 'Tomorrow will be a good day.'

Enjoy some time away from school work and be kind to yourselves and each other.

Take care,

Mrs S Mills  
Head Teacher
